

# Symposium Schedule

			Shiinoki Cultural Complex, Ishikawa Prefecture					21st Century Museum of Contemporary Art, Kanazawa (BF1, Theater 21)	Kanazawa Excel Hotel Tokyu
			3F	A-class (3F, Seminar Room A)	B-class (3F, Seminar Room B)	Event Hall (2F)	Garden Room (2F)		
8.19th	16:00~18:00	日本教育医学会 全国理事会							
8.20th	9:00~	Registration					Equipment display & book display and sale		
	9:30~	Opening Ceremony							
	10:00~11:30	Presentation		Oral Presentation A1 - A6	Oral Presentation B1 - B6	Poster Presentation Group 1 (10:00-11:00)			
	11:30~11:45	Commemorative Photograph							
	11:45~12:45	Lunch time							
	12:45~13:45	日本教育医学会総会							
	14:15~18:15	Symposium							
	19:00~21:00	Welcome Party							
8.21th	9:00~	Registration					Equipment display & book display and sale		
	9:30~12:00	Presentation		Oral Presentation A7 - A16	Oral Presentation B7 - B16	Poster Presentation Group 2 (10:00-11:00)			
	12:00~13:30	Lunch Time							
	13:30~15:30	Presentation		Oral Presentation A17 - A24	Oral Presentation B17 - B23	Poster Presentation Group 3 (14:00-15:00)			

# Program

## Symposium

21st Century Museum of Contemporary Art, Kanazawa  
(Theater 21, BF1)

### 8.20th PM

	Theme	Presenter	Affiliation	Chairman
14:15~16:15	シンポジウム1. テーマ 「健やかな子どもを育むために～学校教育における日本と韓国の子どもの課題と現状～」			
	1. What problems for healthy development of children's mind and body in today's school education? -From a standpoint of Japanese school health education-	森 昭三	筑波大学 名誉教授	戎 利光 (福井大学)
	2. Current Status and Challenges of School Health Education in Korea	Myung Kim	梨花女子大 教授	Hosung Nho (慶熙大 学校)
	3. Development problems of physical fitness in Japanese children Comparison between the urban district children and farm district children	浅見高明	筑波大学 名誉教授	
16:30~18:15	シンポジウム2. テーマ 「日韓における女子身体発達の光と陰」			
	1. Abnormal Menstrual Cycle in Aesthetic Junior Athlete High School Rhythmic Gymnastics Athlete	石垣 享	愛知県立芸術 大 准教授	春日晃章 (岐阜大 学)
	2. Physical characteristics of female students from the perspective of sports medicine: Focus on South Korean girls	Jundong Kim	徳成女子大 准教授	Siyong Park (慶熙大 学校)
	3. Two sides of physical development in girls viewed from early or late menarche and body composition	藤井勝紀	愛知工業大 教授	

## Oral Presentation (A-class: Seminar Room A, 3F)

### 8.20th AM

	Time	Theme	Presenter	Affiliation	Chairman
A1	10:00-10:15	Age-related Changes of Body Composition Structure Based on Differences in Morphological Qualities of Japanese Preschool Boys	酒井俊郎	浜松学院大学	宮口和義 (石川県立大学)  Eunhwan Oh (Hyup Sung University)
A2	10:15-10:30	Verification of Yearly Trend of Physical Growth in Korean Girls	斎藤由美	名古屋造形大学	
A3	10:30-10:45	A Study on Middle and High School Baseball Players' Sports-related Desocialization	Kyoungwoo Cho	Kyung Hee University	
A4	10:45-11:00	Expectation of the Role of Special Physical Education Teachers Based on the Types of Disability of the Disabled Students	Girok Jeon	Kyung Hee University	
A5	11:00-11:15	Investigation of motor performance using regression evaluation of body weight against height in young children	田中 望	愛知工業大学大学院	
A6	11:15-11:30	An Effect of the Youth's Family Sports and Leisure Activities on Sociality and Conflict Resolution Strategies	Woosuk Kim	Kyung Hee University	

### 8.21th AM

	Time	Theme	Presenter	Affiliation	Chairman
A7	9:30-9:45	Determination of low-fitness status in community-dwelling older women	大須賀洋祐	筑波大学大学院人間総合科学研究科	佐藤敏郎 (新潟医療福祉大学)  Siyong Park (Kyung Hee University)
A8	9:45-10:00	The relationship between alternative steps after functional reach action and lower limb strength in older women.	山次俊介	福井大学	
A9	10:00-10:15	A Study on Self-Concept of Dance-Majoring Students and Other Students	Yoonjeong Choi	Kyung Hee University	
A10	10:15-10:30	An Effect of Dance Major Students' Goal on Their Adaptation to University Life and Career Preparatory Behavior	Soyoun Kim	Kyung Hee University	
A11	10:30-10:45	Practical study of a Care Model for Injured Athlete in University	中村浩也	浜松大学	
A12	10:45-11:00	Surveillance study on Health Status and Physical Activities of elders living in the rural area(1): ~changes of health status in three years~	大森正英	東海学院大学	
A13	11:00-11:15	Surveillance study on Health Status and Physical Activities of elders living in the rural area(2): ~changes of physical functions in three years~	水野かがみ	中部学院大学	春日晃章 (岐阜大学)
A14	11:15-11:30	Comparison of the shoulder, knee, and lumbar joint of professional baseball players on isokinetic muscular	Seungwon Yang	Kyung Hee University	Jundong Kim (Duksung Women's University)
A15	11:30-11:45	An Effect of Inner Motives in Gyms Classes on Fun and Worrisome Factors	Kwangleong Han	Kyung Hee University	
A16	11:45-12:00	Construction of Delayed Menarche Evaluation System in Korean Female Athletes -Construction of Delayed Menarche Evaluation-	久世早苗	岐阜工業高等専門学校	

### 8.21th PM

	Time	Theme	Presenter	Affiliation	Chairman
A17	13:30-13:45	Relationships between Mastication, Motor Ability, and Bone Density in Junior High School Students	安部恵子	プール学院大学	酒井俊郎 (浜松学院大学)  Eunhwan Oh (協成大学校)
A18	13:45-14:00	Formation of Foot Sole Contact Surface in 0.5-to 11- Years Old Japanese Children	三村寛一	大阪教育大学	
A19	14:00-14:15	Analysis of the Relationship factor of depression among Korean adolescents: The Results from Korea National Health and Nutrition Examination Surveys, 2009	Yesoon Kim	National Rehabilitation Center Research Institute	
A20	14:15-14:30	Pilot Test: Relationship of bone maturation with complete blood count and blood glucose in Korean elementary school boys	Jaehyun Lee	Sky Sports Medicine Clinic	
A21	14:30-14:45	Effects of various habitual exercise routines on dynamic balance ability	窪田泰三	岐阜大学大学院	宮口和義 (石川県立大学)  Myung Kim (Ewha Womans University)
A22	14:45-15:00	Characteristic of physical fitness according to level of obesity index among young children -Which physical fitness is high in the obese and lean children?-	春日晃章	岐阜大学	
A23	15:00-15:15	An Analysis of Health Promotion Professionals' Education Satisfaction and Demands on Training Course by job	Yumi Oh	Korea Health Promotion Foundation	
A24	15:15-15:30	Factors Associated with HIV/AIDS Phobia of MSM in South Korea	Aeree Sohn	Sahm Yook University	

## Oral Presentation (B-class: Seminar Room B, 3F)

### 8.20th AM

	Time	Theme	Presenter	Affiliation	Chairman
B1	10:00-10:15	Examination of the anti-aging data of blood test, with reference to the food intakes and intensities of labors, of the oldest olds in the oldest olds areas, Japan	秋坂真史	宮崎大学 安全衛生保健センター	長澤吉則 (京都薬科大学)  辛 紹熙 (金沢大学イノベーション創成センター)
B2	10:15-10:30	Age differences in maximal handgrip strength and controlled force exertion	久保田浩史	岐阜大学	
B3	10:30-10:45	Blood pressure & cardiovascular responses during graded cycling exercise in postmenopausal women	Kyungae Kim	Kyung Hee University	
B4	10:45-11:00	Estrogen attenuates muscle metaboreflex in women	Hyunmin Choi	Kyung Hee University	
B5	11:00-11:15	Relationship between right-left difference in the leg motions and fall risks	伊東隆喜	和歌山県工業技術センター	
B6	11:15-11:30	Health problems and associated characteristics among immigrant wives in South Korea	Hyekyeong Kim	Korea Association of Health Promotion	

### 8.21th AM

	Time	Theme	Presenter	Affiliation	Chairman
B7	9:30-9:45	Basic studies on life circumstances and stress for the persons with disabilities (First report)	松浦義昌	大阪府立大学	坂井智明 (同志社大学)  辛 紹熙 (金沢大学イノベーション創成センター)
B8	9:45-10:00	Influence and Effect of Nordic Walking in General Citizens	三村達也	大阪産業大学	
B9	10:00-10:15	A Study on Unofficial Mentoring for Physical Education Students' Adaptation to Their Major Studies	Jeongseok Yoo	Kyung Hee University	
B10	10:15-10:30	An Effect of University Students' Sports Value System on Sports Emotion	Jeonghoon Yoon	Kyung Hee University	
B11	10:30-10:45	Two Case Studies of the Effects of Moderate Exercise on Peripheral Blood Circulation in Plethysmography and Blood Pressure: moderate exercise (1) while listening to music and, (2) after stopping smoking	戎 利光	福井大学	
B12	10:45-11:00	Increasing physical activity is independently associated with inhibition of metabolic syndrome in obese Japanese men	辻本健彦	筑波大学大学院人間総合科学研究科	林 容市 (法政大学)  Nho Hosung (Kyung Hee University)
B13	11:00-11:15	The Influence of KAATSU Training on the Body Function in Healthy Middle-Aged Women	鉄口宗弘	大阪教育大学	
B14	11:15-11:30	Influences of cigarette package health warnings on motivation of purchase	Eunhwan Oh	Hyup Sung University	
B15	11:30-11:45	An Effect of Social Maturity of University Students Majoring Physical Education on the Adaptation to University Life	Youngjoon Yoon	Kyung Hee University	
B16	11:45-12:00	Shoulder for humeral head retroversion, range of motion and muscle strengths in collegiate baseball players	Siyong Park	Kyung Hee University	

### 8.21th PM

	Time	Theme	Presenter	Affiliation	Chairman
B17	13:30-13:45	Need for Further Examination of the Principle Followed in Determining Safety Education Content and Using NIE	内山 源	茨城大学	村瀬智彦 (愛知大学)  辛 紹熙 (金沢大学イノベーション創成センター)
B18	13:45-14:00	Mother's Feeling through Child-Raising	原田昭子	兵庫大学	
B19	14:00-14:15	The Study of Korean Government Driven School PAPS's Effectiveness	Yeonohan	Seoul National University	
B20	14:15-14:30	Anti-smoking educational program in Korea	Eunji Kim	Ewha Womans University	
B21	14:30-14:45	Influences of the social skills and the trait shyness on the self-body images of a university students	林 容市	法政大学	長澤吉則 (京都薬科大学)
B22	14:45-15:00	Characteristics of free-living physical activity in Japanese women	坂井智明	同志社大学	辛 紹熙 (金沢大学イノベーション創成センター)
B23	15:00-15:15	Effects of physical activity status on the physical fitness of pubescent Korean students	辛 紹熙	金沢大学イノベーション創成センター	

## Poster Presentation (Event Hall, 2F)

### Group 1 (8.20th AM)

Time		Theme	Presentor	Affiliation
10:00-11:00	P1	The effects of leg dysfunction on feeling that life is worth living in community-dwelling elderly people	三森敦子	金沢大学大学院
	P2	Study on the Effects of Music Therapy to Persons of Advanced Age	大森由美子	東海学院大学
	P3	Standards on Motor Ability for Children Aged 3 to 6.5 Years in Aichi: SMAC-AICHI	村瀬智彦	愛知大学
	P4	The relationship among motor ability, physical characteristics, and allergy symptoms in young children	福富恵介	岐阜県スポーツ科学トレーニングセンター
	P5	Relation to Change of BMI with Age and Delayed Menarche in South Korean Female Athletes	都築修平	愛知工業大学大学院
	P6	Assessment of walking performances for preschool children	下村雅昭	京都女子大学
	P7	Preventative Health Programs and Functional Mobility in the Healthy and Pre-Frail Elderly	杉本寛恵	京都女子大学
	P8	Confirmation regarding Regional Difference between Urban City and Country Side of Physique Growth –Based on South Korea growth data –	Yaeju Hong	Chang Won National University
	P9	Response system and actions to communicate health information for schools and education agencies in the Flu (H1N1) occurrence	Myung Kim	Dea Gu University
	P10	Smoking patterns of middle and high school students using data from Smoking-Cessation Clinic operated by a local government in Korea	Seungduck Go	Hyup Sung University
	P11	Building Healthy Campus to Promote Health Status of University Students, Faculty, and Staff	Youngbok Kim	Dea Gu University
	P12	Exercise intensity and energy expenditure on basketball game in college player	Hosung Nho	Kyung Hee University

### Group 2 (8.21th AM)

Time		Theme	Presentor	Affiliation
10:00-11:00	P13	Visual contribution to postural control while recovering from an unexpected destabilized posture – a basic study using center of pressure sway –	内山応信	秋田県立大学
	P14	Effect of difference of exercise enforcement frequency and fall risk scores in elderly women with knee joint pain	杉浦宏季	金沢大学大学院
	P15	Effect of junior ski-jumper balance training while wearing Masai Barefoot Technology shoes:A practice case of the “N”-high school ski team.	川端 悠	金沢大学大学院
	P16	Comparison of the Body Sway Characteristics of Young Adults, the general Elderly, and the Disordered Elderly	北林 保	東京理科大学
	P17	The Relationship between bat speed and both static hand grip strength and handgrip power	野口雄慶	福井工業大学
	P18	The Planter Arch, Dynamic Balance Ability, and the Effects of Fatigue on the Fallen Arch in Preschool Children	宮口和義	石川県立大学
	P19	Obesity in Japanese Male Students at the National College of Technology	長澤吉則	京都薬科大学
	P20	The Effects of Participation in Preventative Health Programs on Quality of Life for the Pre-Frail Elderly	大下 萌	京都薬科大学
	P21	A Study on the Stress Adaptation of Candidates for the National Dental Hygiene Certification Exam	Mihee Lim	Han Yang Women's University
	P22	A Study on actual smoking condition, knowledge, attitude and practice related to dental health of korean soldiers	Sunhee Hwang	Shin Gu College
	P23	An Analysis on the Relationship between Residential Environment and Atopic Dermatitis in Seoul	Jiseon Kim	Ewha Womans University
	P24	Optimistic Bias toward HIV/AIDS among High School Students in Korea	Aeree Sohn	Sahm Yook University

**Group 3 (8.21th PM)**

Time		Theme	Presentor	Affiliation
14:00-15:00	P25	Gender difference and explosive toe grip exertion	中田征克	防衛大学校
	P26	Age- specific differences in time taken by preschool children to walk along a line with obstacles	青木宏樹	金沢美術工芸大学
	P27	Study on fear of falling in community-living older people -classification by fall experience and fall risk score-	内田 雄	金沢大学大学院
	P28	The combined effects of knee extension, visual acuity, and knee joint pain on gait in older women	出村友寛	金沢大学大学院
	P29	The relationship between the subjective preference legs and the leg used for stabilization and mobilization activities	佐藤 進	金沢工業大学
	P30	Subjective fatigue symptoms, exercise habits, and physical fitness level in adolescent	山田孝禎	福井工業高等 専門学校
	P31	Confirmation of physical Growth Pattern in Youth with Slim Boys-Analysis of longitudinal data Korean youth-	安林奈緒美	金沢大学大学院
	P32	Floating-toes and posture stability during a one-legged stance in preschool children	松田繁樹	岐阜聖徳学園大学 短期大学部
	P33	Study on Oral Health Recognitions and Behaviors of Health College Students	Gyuri Kim	Dan Kook University
	P34	Descriptive Literature Review on Suicide Influencing Factors in Korea (2000-2010)	Hyungwon Baek	Ewha Womans University
P35	Descriptive Literature Review on Obesity Management Program for Obese Children in Korean Elementary School Setting (2005-2010)	Seungyeon Hong	Ewha Womans University
